

Sticks with more power than ever before!

Self-adhesive flexible skirtings* particularly suited with flexible floor coverings. They may be installed in a jiffy, creating a harmonious transition from floor to wall. Of course, none of the flexible skirting boards will contain harmful softeners, as required by the REACH Ordinance.

* also available as flexible skirting without branded self-adhesive tape (WL series)

The new self-adhesive flexible skirting series "WLK" features:

- powerful adhesion thanks to branded adhesive tape
- one work step saved
- attractive system price
- new geometry for increased flexibility
- friendly on the environment and health

SURTECO GROUP

Advantages at a glance

The WLK life components are REACH compliant and free of chlorine and softeners.

The Easy Scooter facilitates working by simple unrolling of your flexible skirting.

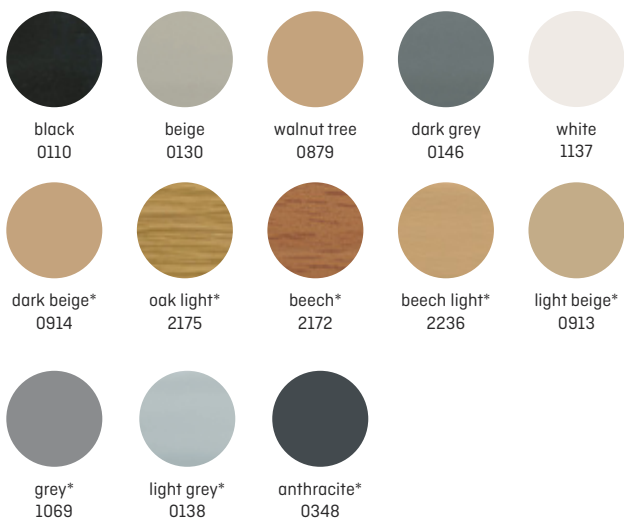

Improved geometry facilitates seamless corner formation and better cleaning

The new flexible skirting programme

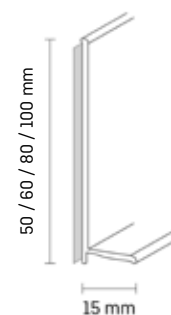

- 2 material versions PVC and PVC-free: One self-adhesive version per size: WLK with Remur and WLK life (PVC-free) with Pomur
- Increased flexibility for improved corner formation and easier installation
- Up to 50% time saved thanks to pre-applied adhesive tape. Installation will also be further optimised with the Easy-Scooter.

Colours

*available only for WLK 50, WL 60!
